Our annual Christmas dinner was held on Saturday the 5<sup>th</sup> of December at the historical Grass Valley Tavern shown above.

I arrived just after 4pm on Saturday to meet the following members, some of them had arrived the day before.

Terry and Jan, Gary Wood, Alex and Maria, Bob and Lucy, Andrew and Hertha, Greg and Pauline, Chris Redgrove, Doug and Wynona, Damian and Karen and of course myself to be followed by Kerry and Steve.

We enjoyed some quality fellowship outside of the premises until 6.30 pm when we adjourned inside to be met by this.

What a wonderful set up!

We had the whole room to ourselves - our own private function room.

Not in my wildest dream could I have imagined this to happen for our Christmas dinner.

Karen soon got quite busy organising the shutterbug competition,

With a bit of help from some of the other members.

This was followed by much discussion as to what category was the best and how relevant they were to 4-wheel driving.

Then on to our preselected seat, where we enjoyed some quizzes that Kerry had organized. Some of them seemed very easy but no one could score a 100% , there was always one or two questions that stumped everyone.

Then on to dinner of a delicious Roast Ham and Chicken with vegetables which everyone enjoyed immensely by all.

When dinner was finished Karen announced the winners of the shutterbug competition.
