Description / Agenda

The trip is on some narrow sand tracks (bush pinstripes for sure), sand dunes, and some beach driving (bring your bathers if you want to go for a dip).

Trip will end around mid-afternoon at Seabird, where we can drop by the tavern for a cold drink before heading home.

What to Bring

Morning tea, lunch, recovery gear, tyre deflators, air compressor, uhf radio, and a sense of fun and adventure.

Additional Information

Trip was initially planned to be Ledge Point to Guilderton, however during the long recce yesterday, we decided that being bogged on a beach south of Seabird for 4+ hours should not be part of the club trip. Thanks to the man and the dog in the Jeep that recovered us (sorry Mike!), we made it back to Perth safely and have amended the trip on 16 March to now end at Seabird.
