Trip Name

Captain Fawcett and Firelines

Date of Trip

Saturday 10 May 2025

Meeting Place and Time

9.30am at Dwellingup Hotel carpark (cnr Newton St and Marinup St, Dwellingup).

Description / Agenda

About 18km travel along bitumen road, then air down at the entrance to Captain Fawcett Track. The track could be wet and muddy or dry and dusty, depending on weather leading up to the trip. After 4x4ing along the Captain Fawcett to Driver Rd, we will head back north on the Murray River Firelines Track to Lane Poole Reserve to finish the trip.

Note that Firelines has a large waterfilled hole at the entrance and may not be passable on the day; if not, then we will head along alternate tracks and finish the trip at Waroona instead of Lane Poole Reserve.

Trip is expected to finish mid afternoon.

What to Bring

Morning tea, lunch, recovery gear, tyre deflators, air compressor, uhf radio, and a sense of fun and adventure.

Additional Information

National Park Pass is required for Lane Poole Reserve; can be paid on the day (\$17 per vehicle, or \$10 with concession) if you do not have an annual pass.
